The Frost Is On the Pumpkin

And there is always at this season of the year a spirit of
gladness—of happiness that pervades the air—for 'tis draw-
ing close to Holiday Time—Hallowe'en, Thanksgiving and
Christmas. Many social functions you are planning, perhaps,
in your beautiful and well-appointed home. Is there anything
that adds more charm to your beautifully set table as silver-
ware of artistic design? We pride ourselves in the fact that
we were able to select such a varied assortment of the most
appealing and attractive patterns in table silverware for this
season and will gladly show you the many sets and separate
pieces of silverware of distinction upon a visit to our store.
